

DESCRIPTION

The rectangular key ring made of felt with a vigore design is a practical and sustainable accessory to carry your keys in style. The rectangular design of the keychain offers a classic and elegant shape, while the vigore design adds a touch of texture and originality. The felt is soft to the touch and sturdy, ensuring optimal durability. Thanks to its compact size, it is easy to carry in your pocket, purse or hooked on the belt loop of your trousers. The use of recycled materials and the presentation in an eco-friendly design make this keychain a conscious and responsible choice. It is an ideal accessory for those looking to combine functionality, style and commitment to the environment.
