

YURI NET158

DESCRIPTION

The multi-purpose toiletry bag made of RPET 300D recycled polyester with a vigore design is the perfect solution to keep your personal items organized and accessible. Made of RPET 300D recycled polyester, this toiletry bag is a responsible option that contributes to reducing waste and caring for the environment. Its vigore design adds a modern and attractive touch. The interior of the toiletry bag has three spacious compartments, specially designed to store and organize your personal items, such as cosmetics, brushes, combs, creams, and much more. Each compartment is the perfect size to securely accommodate your items. Whether for travel, carrying in your bag or keeping at home, this multipurpose bag gives you the practicality and organisation you need. Choose a sustainable and functional option with the multi-purpose toiletry bag made of RPET 300D recycled polyester with a vigore design.
