

BABEL SB1164

DESCRIPTION

Lip balm with classic case in metallic bar-shaped finish. Stylish and practical option for lip care. The metal case gives it a sophisticated and durable look, protecting the balm from bumps and damage. The bar-shaped lip balm provides a smooth and even application, hydrating and protecting the lips from dryness and environmental factors. In addition, this lip balm offers SPF15 sun protection, helping to prevent damage caused by UV rays. The classic case in metallic finish gives it a touch of elegance and allows you to carry the lip balm comfortably in your bag, pocket or toiletry bag, ensuring it is always within reach when you need it.
