BRAKEL SC1233

DESCRIPTION

The classic style stainless steel corkscrew with cork handle is a stylish and sustainable choice to open your wine bottles. The stainless steel body ensures durability and strength, while the natural cork handle gives it a unique and organic look. The classic design of the corkscrew ensures a comfortable and secure grip, allowing you to remove the corks with ease and precision. Its double lever mechanism enables the opening process, minimizing the effort required. The cork handle not only adds a distinctive look to the corkscrew, but also provides a comfortable, non-slip grip. Cork is a natural and renewable material, making it a sustainable choice for those looking to reduce their ecological footprint.
