#### DESCRIPTION

The wooden box with a handle is the perfect complement to safely and elegantly transport a bottle of wine. Made of wood, this box offers strength and durability to protect your bottle during transport. The box has a practical and functional design. Its size is specially designed to fit a standard bottle of wine, making sure if fits perfectly inside. In addition, it has a solid handle that makes it easy to transport and handle. The inside of the box is designed so that the bottle remains stable and safe, preventing it from moving and avoiding any blow that could damage it. The wood used provides natural insulation that protects the bottle from temperature changes. In addition to its functionality, the wooden box with a handle also adds a touch of elegance and style. Its classic and timeless design blends perfectly with the aesthetics of a bottle of wine, enhancing its presentation and making it a special gift or gesture.
