

SOTEK TB1165

DESCRIPTION

The RPET 600D recycled polyester fridge with a vigore design is the perfect accessory to keep your food and drinks fresh on your outdoor adventures. Made from sustainable materials, this fridge is an eco-friendly and environmentally conscious option. It has an additional exterior pocket that allows you to store small items such as napkins, utensils or other picnic accessories. The interior is equipped with an isothermal coating to maintain the ideal temperature of your food and beverages, ensuring their freshness for longer. The fridge includes a practical handle, which makes it easy to carry, making it comfortable when on the go. Whether it's for a day at the beach, a picnic in the park or a camping trip, this fridge is the perfect accessory to keep your food fresh so you can enjoy your outdoor activities. In addition to being functional, the RPET recycled polyester fridge with a vigore design has a modern and attractive look, making it a stylish and versatile accessory. Make your conscious choice with this sustainable fridge and enjoy your moments outdoors in total freshness.
